## WestEdge Panel “Rock Star Architecture: Creative Design For Artists”

Date: October 23, 14

WHERE MUSIC MEETS DESIGN – WestEdge Design Fair recently hosted the panel discussion “Rock Star Architecture: Creative Design For Recording Artists.” Topics included the correlation between recording, studio design and its effect on the creative process in both home and professional studios. The panel was sponsored by FORM magazine and was held at Barker Hangar, Santa Monica. (L-R) Peter Grueneisen (FAIA, nonzero\architecture), Vince Wilburn, Jr., (Producer, CEO of MilesLike) Lisa Bingham (Digital Content Manager / FORM), Joe Chiccarelli (Grammy Award-winning Producer) and Maureen Droney (Managing Director, Producers & Engineers, The Recording Academy)
