The return of the WestEdge Design Fair brings interior design-lovers some of the best modern furniture and home accessories to date to the masses. The four-day event will feature 150 exhibiting brands that will showcase their designs in lighting, kitchen, bath, outdoor furnishing and other home products. Shop the various designs and attend a series of special events and notable discussions, panels and workshops to learn how to decorate the home with good taste. Looking to celebrate and shop a day earlier? On Thursday, attend the preview gala to benefit nonprofit Heal the Bay from 6:30-10pm. Sip on cocktails and nibble on hors d'oeuvres while having first access to the fair. Tickets for the kickoff party are \$95, for more info and to purchase tickets, go to the WestEdge Design Fair website.
