

Kelly Wearstler's Chair and 5 Other Things We're Coveting Now

Curtain by UME Studio WestEdge Design Fair in Santa Monica began last week highlighting new introductions in modern design. The limited edition Draped Flower Curtain by artist Akane Moriyama and UME Studio is a living, organic room divider, but I was so inspired by the idea of adding fresh blooms—or really any type of botanicals—to add beauty to a space.

A Weekly Update from the Editors at *AD*
