

## Join us for the Sixth Annual Westedge Design Fair

Join us at the Santa Monica Barker Hangar on October 18-21, 2018 at **Westedge Design Fair**, the West Coast's premier modern design fair, that features a highly-curated selection of domestic and international manufacturers and independent designers and makers. Now in its sixth year, the fair features over 175 brands including **Cerno, Fyrn, Antrobus + Ramirez, Tidelli, whyrHymer** and more, who will showcase thousands of new products and collections ranging in categories from furniture, rugs, lighting, fine carpets, decor, kitchen + bath products and more.

“As the co-founders of WestEdge, we are so pleased that the fair has evolved into a resource for premium products that may be specified for not only residential projects, but also higher-end contract and hospitality environments.” Said Troy Hanson, Co-Founder and Principal of WestEdge Design Fair. “A vast majority of the event’s participants currently work in the commercial arena, and will be showcasing products featuring the latest in led technology, sustainable manufacturing processes, capacity to produce multiples, and the highest-quality furnishings in the marketplace today.”

Launched in 2013, the annual WestEdge Design Fair has steadily increased both their exhibitors and attendees each year. In addition to the thousands of products, designers and design enthusiasts will enjoy live-demonstrations, design talks and panel discussions, meet-and-greets and book signings with notable design influencers. *California Home+Design* Editorial Director Lindsey Shook will tour the fair prior to the opening to make her selections for the Fair's best products! Stay tuned for coverage on our official Instagram.
