## WestEdge Design Fair

Now in its fifth year, WestEdge offers the best in modern design, all in an environment designed to engage, entertain and inspire. The fair offers the opportunity to shop from premium home furnishings brands-many new to the West Coast and meet the designers behind thousands of inspiring products. In addition, attendees gain insight from leading names in the design industry with a full series of educational programs and special events.

Home to internationally renowned museums, leading design schools, hundreds of manufacturing brands, and a prodigious number of leading architecture and design firms, we can't think of a better place to celebrate progressive, contemporary design than in Southern California.
