

SUNSHINE + MODERN DESIGN: THE MILK STAND RETURNS TO WESTEDGE IN SANTA MONICA

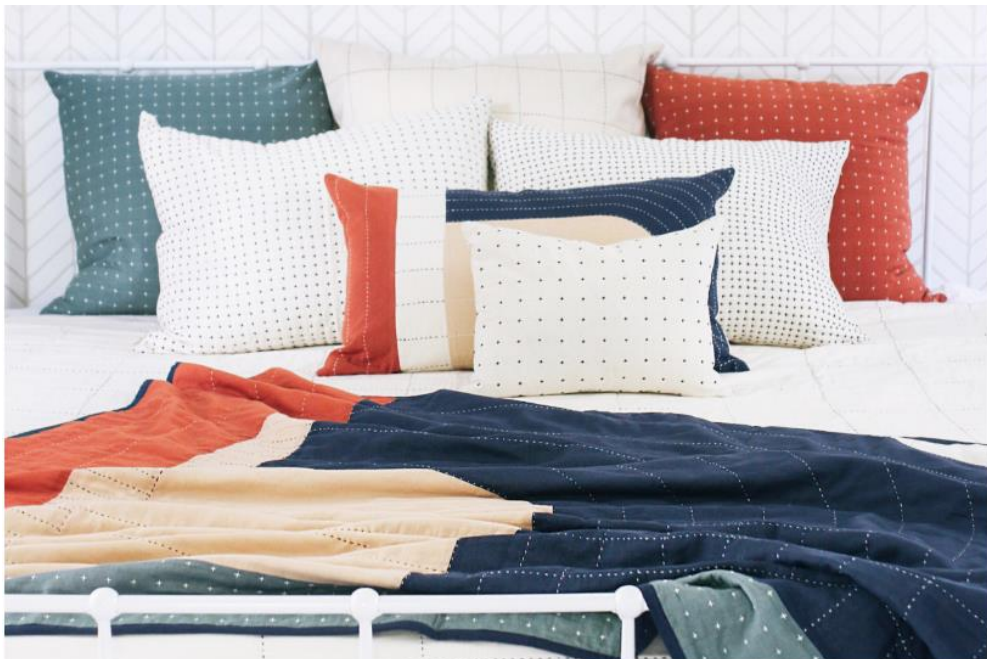

Last year was the first year that we brought the [Milk Stand pop-up shop](#) to Santa Monica, California for the [WestEdge Design Fair](#). We had an awesome reception so we're excited to announce that we're doing it again! This year's show will be held again at the [Barker Hangar from October 18-21](#) and we've curated a new group of independent designers, makers and brands that'll make that LA traffic worth it. 😊 This shoppable section will be cash-and-carry which means you'll be able to take home a souvenir in the form of modern jewelry, textiles, home accessories, bags, and more.

Check out our exhibiting designers and stay tuned until the end for a special code off your tickets to the [WestEdge Design Fair!](#)
